

NITHIN KRISHNAN .K

UI/UX Designer | Product Designer

nithinkrishnan098@gmail.com | +91 9786295071 | Portfolio: <https://figma.fun/1kDvHQ>

PROFESSIONAL SUMMARY

UI/UX & Product Designer with 3+ years of experience, including 2 years in UI/UX Design and 1.3 years in Product Design. Skilled in user research, user flows, wireframing, prototyping, high-fidelity UI, design systems, and responsive design. Experienced in creating user-centered digital products and collaborating with cross-functional teams.

PROFESSIONAL EXPERIENCE

iProtecs Solutions (Pvt) Ltd | Product Design (2025 – Present)

D-Force – Workforce Management System

- Designed end-to-end UX for a workforce management system covering Admin Dashboard and Mobile Application
- Created wireframes, user flows, navigation structures, interactive prototypes, and high-fidelity UI designs.
- Simplified complex workflows including employee scheduling, attendance, employee check-in, and workforce management.
- Applied mobile-first design principles with quick actions, real-time information, and intuitive navigation.

D-Hire – Recruitment Platform

- Led end-to-end UI/UX design from discovery and research through wireframing, prototyping, and final UI design.
- Conducted user research and discovery sessions to understand user needs and business requirements.
- Created user journeys and workflows to improve recruitment-related processes.
- Built and maintained design systems, component libraries, and reusable UI components.

D-Helix Software

- Designed user-centered web application interfaces based on product requirements and user needs.
- Created and maintained design systems, brand guidelines, and component libraries. Development teams to ensure accurate implementation of UI designs.
- Improved consistency and efficiency across digital products through reusable design components.

IHG Software / Kiosk Applications

- Improved UI/UX of hotel kiosk applications by identifying and resolving usability and interface issues.
- Supported hotel check-in and check-out workflows with a focus on simple and efficient user interactions. Collaborated with teams to improve the overall customer-facing experience.

iFixcompany.Online | UI/UX Designer (Apr 2023 – Dec 2024)

- Designed responsive websites and user-friendly interfaces for digital marketing and business services.
- Created UI layouts, prototypes, and responsive designs based on business requirements.

Selected Projects

AMPS Electrical | Axom Light | Nexa Electrical

- Designed responsive business and e-commerce websites for different industries.
- Created website layouts, product/service sections, promotional sections, and user-focused navigation.
- Applied typography, color, spacing, visual hierarchy, and reusable design patterns to maintain consistent interfaces.
